

## Storytelling at the BMI

Below are 6 pictures of people and 6 pictures of places you can find around the museum. Pick one of each and write a story that includes the people and the place you chose. Remember, a story should have a beginning, a middle, and an end. Try to write at least 3 sentences.

If you are not sure which pictures to choose, try rolling two dice. Pick your people picture based on the number of the first die. Pick your place picture based on the number of the second die.
