

Wee Workers

June 2, 2020

Theme: Chesapeake Bay

Watch: Storytime on our [Facebook](#)

Do: Create your own crab and fish!

Listen: Sing along to "[Down by the Bay](#)"

Watch

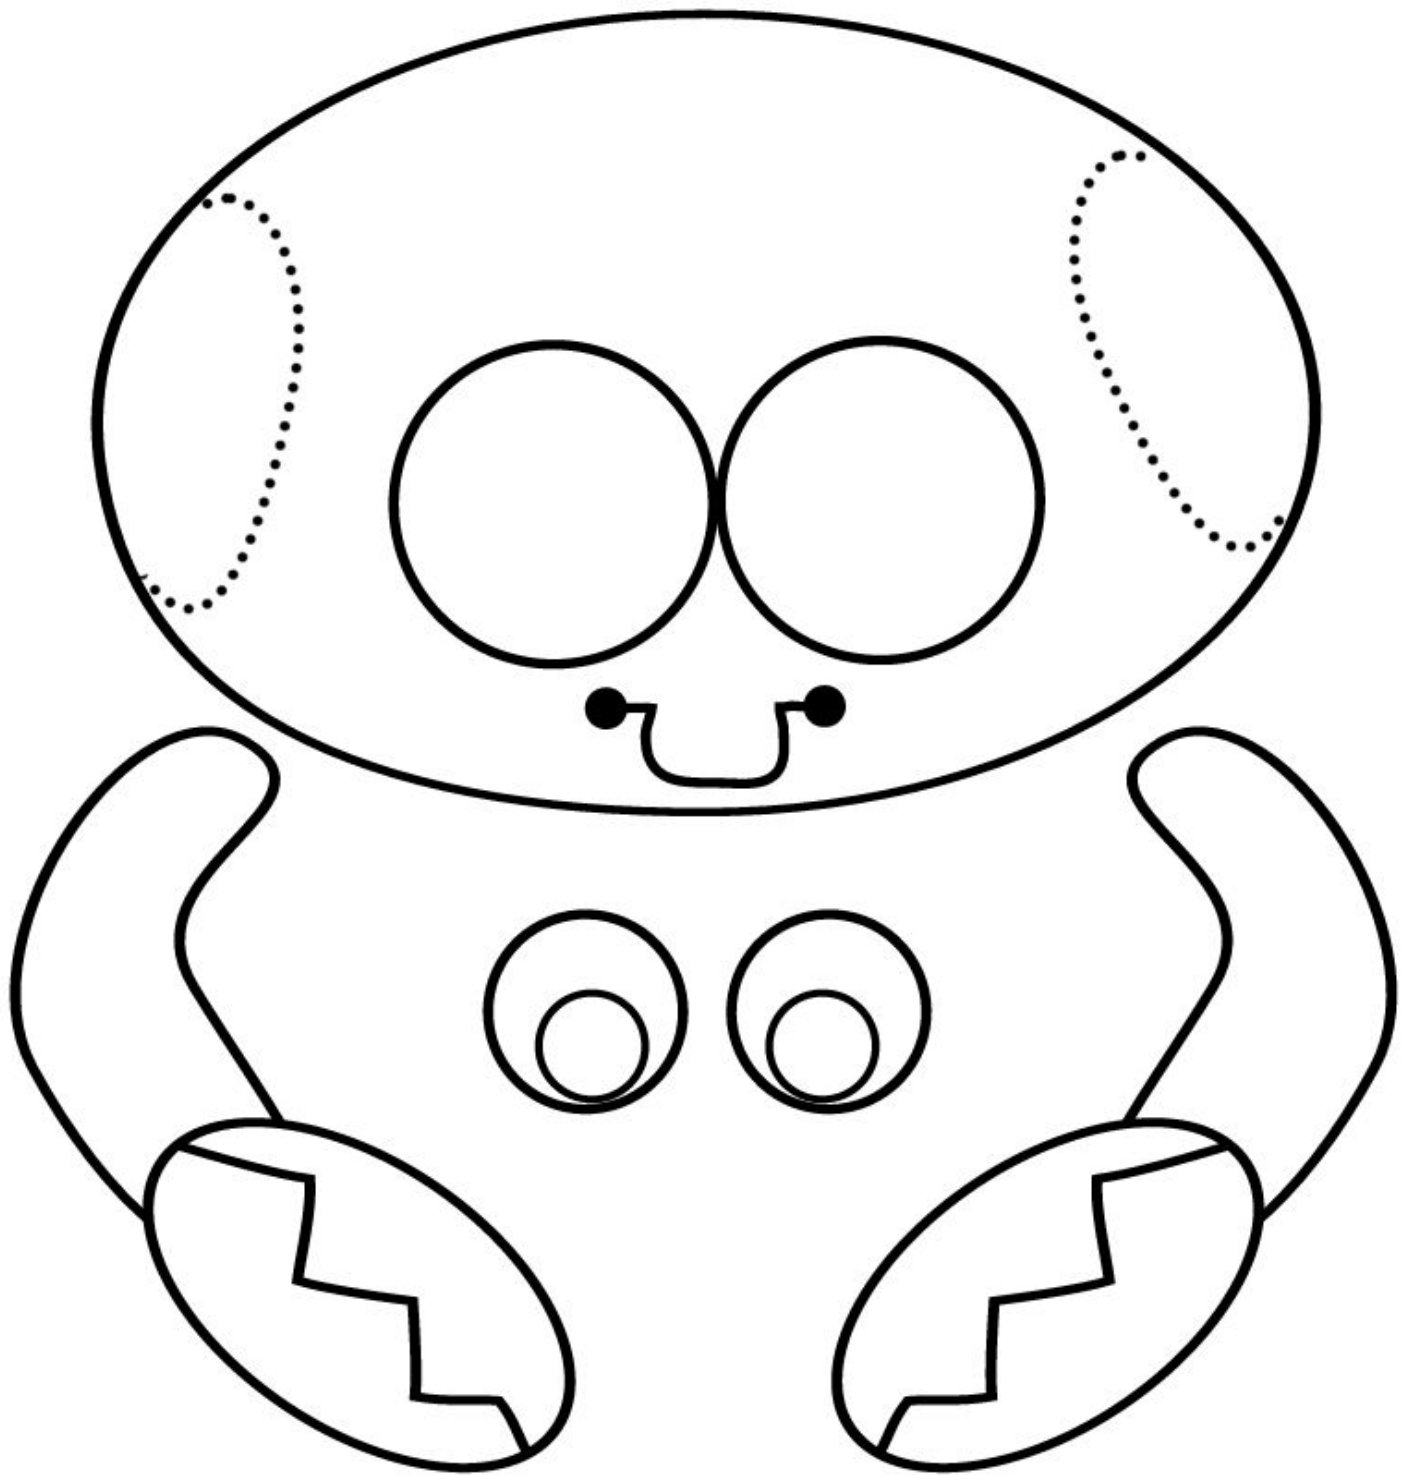

Watch Ms. Travis-Keene read *Meet Chadwick and His Chesapeake Bay Friends* by Priscilla Cummings and *The Pout-Pout Fish* by Deborah Diesen on the museum's [Facebook](#) and say hi to her friend, Chickenteague!

Do

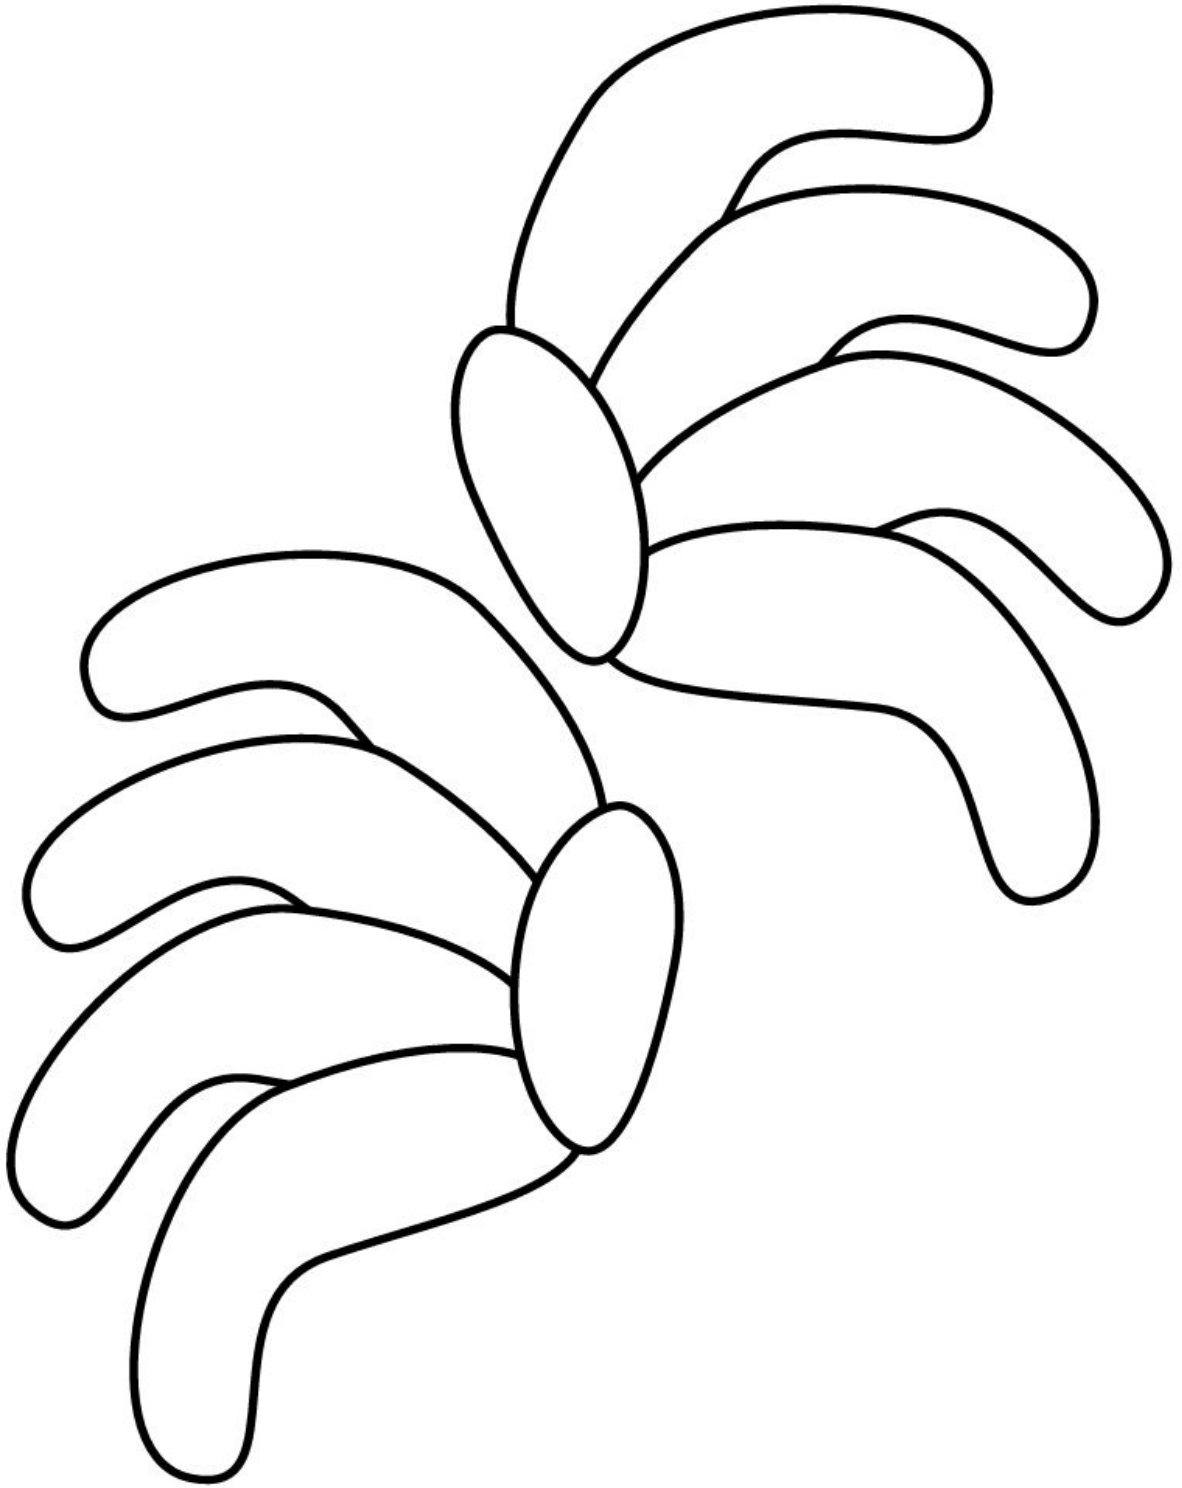

1. Create your own 3-D crab and fish as seen in the storytime video with a paper plate or with the coloring pages below. What will you name your crab and fish?
2. One of the coloring pages below lists plants and animals in the Chesapeake Bay. Can you circle three of the animals from the story with Chadwick?
3. All of the animals in the story with Chadwick were different. What did all of the animals have in common? Hint: Where they live.
4. In the story about the Pout-Pout fish, the main character thought he had to pout or frown all of the time. Can you draw a fish with a big smile on his face using the coloring page below?
5. Color the ducks in the coloring page below, then cut each of them out and create your own matching game!

Listen

Sing along to the song "Down by the Bay", by The Learning Station, which can be found <https://youtu.be/Yt1czlnCUCg>
