

Jr. Industry Investigators **Post-Visit Information**

Classroom Resources: Post-Visit

1. [Virtual walk-through program](#): Return to the virtual tour to check out additional spaces in the museum. Revisit the galleries on the tour to start a discussion using the questions below.
2. [Student Youtube Playlist](#): After your experience, reinforce the information covered on the tour by watching these short videos on the industries covered during the tour.
3. Visit our [Activities From Home](#) page for more activities for your students that pair well with the information covered during the *Jr. Industry Investigators* program.
4. [Industry Investigator Google Slides Activity](#): If your students did not use the activity packet during the tour, this Google Slide version can be used as a post-visit activity to reinforce the information covered on the tour.

Classroom Discussion: Post-Visit

1. Write a letter or draw a picture to send to the museum educator at the BMI reflecting on your experience of the virtual guided tour and what you learned using the prompts below as inspiration:
 - a. Are the places of work and jobs discussed on the tour different from the jobs the adults in your life have today? Where do the adults in your life work?
 - b. Which place of work we visited on the tour would you most like to work? Why?
 - c. Why is canned food important? What foods do we put into cans?
 - d. What type of food do bakeries make? What is your favorite?
 - e. Why do we wear hats? What type of jobs wear hats?
 - f. Why do people go to pharmacies? What makes you feel better when you are feeling bad?
