#### **Classroom Resources: Post-Visit**

1. [Virtual walk-through program](#): Return to the virtual tour to check out additional spaces in the museum. Revisit the galleries on the tour to start a discussion using the questions below.
2. [Student Youtube Playlist](#): After your experience, reinforce the information covered on the tour by watching these short videos on the industries covered during the tour.
3. Visit our [Activities From Home](#) page for more activities for your students that pair well with the information covered during the *Lights On* program.

#### **Classroom Discussion: Post-Visit**

1. Why do people use light to communicate?
2. What are some ways we use light to communicate?
3. What is Morse Code? How would we use Morse Code in an emergency?
4. What were some of the objects in the museum that used light? What did they communicate?
