Classroom Discussion: Post-Visit

1. Are there people in your community today who have the kind of jobs that you learned about at the Museum?
2. Do people still make newspapers, hats, and cans today? How do you think that work was different 100 years ago? How is it the same?
3. If you lived 100 years ago, would you want to do one of the jobs we talked about at the museum? Why or why not?
4. Why is the industry we learned about at the Museum still important in our lives today?
