

# GET UP CLOSE AND INDUSTRIAL *at the Baltimore Museum of Industry!*

Membership fees help the BMI interpret the diverse and significant human stories behind labor and innovation, cultivate a sense of belonging, and inspire visitors to think critically about the intersection of work and society.

As thanks for their support, BMI members receive the following benefits:

## All members receive:

- Unlimited free admission for one year
- Members-only behind-the-scenes tours and programs
- Free and discounted admission to events and programs
- 10% discount in the BMI gift shop
- Free access (with appointment) to BMI archives
- Discounts at local restaurants (check out our website for a complete list)
- Personal satisfaction in supporting our rich industrial legacy and inspiring future innovation!

## Anchor Society \$1,000-\$10,000

Anchor Society members demonstrate an inspiring commitment to the mission of the BMI. Your generous support helps us care for the museum's collection, offer exceptional education programs, and share stories of Baltimore's past, present, and future. Anchor Society members enjoy curated experiences with museum experts and recognition on our Donor Wall.

## Corporate Memberships starting at \$500

Corporate memberships extend the benefits of the BMI community to everyone at your workplace.

# DIGITAL CARDS AND PASSES

---

The BMI is now using digital membership cards and guest passes.

You no longer need to worry about bringing printed membership cards or guest passes with you when you visit.

When you purchase a membership, you will receive an email with a link to your digital membership card. You can use the digital card, or download and print it.

To use one or more of the free guest passes that are a benefit of Builders' level memberships, you or your guest(s) can simply give your member name at the front desk.
